Would you like to be one of those managers who glides effortlessly onwards and upwards through the system, the politics, the people problems, the impossible targets and the work overload Would you like to always say the right thing, do the right thing and know how to handle every situation And would you like to do all this without breaking much of a sweat or seeming to put in excess effort Then you need 'The Rules of Management.' These golden rules cover what you say and what you do (and what you are seen to be doing). They show how you inspire your team to perform (and what you do when it doesn't). They underpin your successful behaviours and actions. 208 pp. Englisch.
