Reviews

Very good e book and useful one. Better then never, though i am quite late in start reading this one. I am just quickly could possibly get a pleasure of reading through a published ebook.

(Laron Cartwright)

MEDICINE AND SURGERY OF CAMELIDS

Condition: New. Publisher/Verlag: Wiley & Sons | Medicine and Surgery of Camelids is the classic comprehensive reference on llamas, alpacas, vicunas, guanacos, and camels. With information on topics ranging from nutrition and management to infectious diseases and emergency care, this book provides information on the health and maintenance of these species. Updates to the Third Edition include new information on camels; full color throughout; significant revisions to the parentage verification, infectious diseases, anesthesia, restraint, and nutrition sections; and additional information on the alpaca genome. This is an essential resource for practicing veterinarians, zoo veterinarians, and veterinary students. | Medicine and Surgery of Camelids "A historically significant, worthy contribution to the veterinary literature. Any clinician who anticipates practice with South American camelids would benefit from having this book in his or her library." - Charles J. Sedgwick, Journal of the American Veterinary Medicine Association "Truly a labor of love. There is no comparable book available today." - LaRue W. Johnson, DVM, PhD, College of Veterinary Medicine and Biomedical Sciences, Colorado State University Medicine and Surgery of Camelids, Third Edition offers a long-awaited update to the classic comprehensive reference on llamas, alpacas, vicunas, guanacos, and camels. With information on topics ranging from nutrition and management to infectious diseases and emergency care, the book provides essential information on the health and maintenance of these species. Now with expanded information on camels, the Third Edition maintains its reputation as the premier text on these popular species, with significant updates to the parentage verification, infectious diseases, anesthesia, restraint, and nutrition sections and additional information on the alpaca genome. Including new color photographs throughout, the new edition retains its logical organization, beginning with the basics of camelid care and moving into specific information divided by body system. Information on toxicology and emergency management is also included. Medicine and Surgery of...
