Excerpt: . chapter xii Autumn Days in days to come historians will mark the decade 1870-80 as being of great importance in the history of our English social life. Great as was the outward prosperity during the Whig ascendancy, the inevitable and logical result of the Liberal principles that were in the air was the growth of the power of the democracy and the lessening of that of the great nobles. Accordingly we find that a succession of blows was struck by those Liberal ministries which even down to our own time were made up to a great extent of members of, or dependents on, the great Whig Oligarchy. The Russells and the Cavendishes diligently sawed off the main branches of the political tree on which they sat. Reform, the abolition of the Corn Laws, and the following and inevitable agricultural depression, began the ruin...
