Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.
(Prof. Damon Kautzer III)

I HOPE I M NOT ALONE ON THIS.: COGENT MUSINGS

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A collection of seven essays, this iconoclastic opus sets about challenging some of the most elemental presumptions about the world and our place within it. I Hope I m Not Alone On This. spans topics from pop culture to haute-cuisine, economics to evolution. Harmonizing comedic wit with arresting insight, it provides cerebral essentials in an easy to swallow form. Consider this the Flintstone s Vitamin of philosophy. Existential Ornithology asserts the value of all living species and provides a fresh perspective on our need for conservation. E Pluribus Nullus: Homage to and Expansion of DFW s E Unibus Pluram in a Distinctly Wallacian Style is an update of David Foster Wallace s E Unibus Pluram focusing on pop culture, reality TV, and voyeurism. Molecular Gastronomy and the Hippocampus studies the psychological mechanisms behind the food science movement. Darwinian Economics examines the evolutionary principles that drive capitalism. Kindred Spirits on the Open Road centers around cycling as it investigates how we form bonds with one another. Thought s About a Thinking Man s Game offers a critical analysis of the game of tennis, focusing primarily on the unique mental demands of the sport. Where s Walden? imagines what Henry David Thoreau would think of our frenetic 21st century lives. Whether the author is in fact, alone, remains to be seen. You ll have to read it and decide.
