Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hours of Idleness is a collection of early poems written by Lord Byron. Byron was an English poet and a leading figure in the Romantic movement. Among Byron s best-known works are the lengthy narrative poems Don Juan and Childe Harold s Pilgrimage and the short lyric She Walks in Beauty. Byron is regarded as one of the greatest British poets, and remains widely read and influential. He travelled widely across Europe, especially in Italy where he lived for seven years. Later in life, Byron joined the Greek War of Independence fighting the Ottoman Empire, for which many Greeks revere him as a national hero. He died one year later at age 36 from a fever contracted while in Messolonghi in Greece. Often described as the most flamboyant and notorious of the major Romantics, Byron was both celebrated and castigated in life for his aristocratic excesses, including huge debts, numerous love affairs with people of both sexes, rumours of a scandalous liaison with his half-sister, and self-imposed exile.
