

PISA 2009 Results: Volume 1: What Students Know and Can Do Student Performance in Reading, Mathematics and Science (Paperback)

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Organization for Economic Co-operation and Development (OECD), France, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are students well prepared to meet the challenges of the future? Can they analyse, reason and communicate their ideas effectively? Have they found the kinds of interests they can pursue throughout their lives as productive members of the economy and society? The OECD Programme for International Student Assessment (PISA) seeks to answer these questions through the most comprehensive and rigorous international assessment of student knowledge and skills. Together, the group of countries and economies participating in PISA represents nearly 90 of the world economy. PISA 2009 Results presents the findings from the most recent PISA survey, which focused on reading and also assessed mathematics and science performance. The report comprises six volumes: Volume I, What Students Know and Can Do: Student Performance in Reading, Mathematics and Science, compares the knowledge and skills of students across countries. Volume II, Overcoming Social Background: Equity in Learning Opportunities and Outcomes, looks at how successful education systems moderate the impact of social background and immigrant status on student and school performance. Volume III, Learning to Learn: Student Engagement, Strategies and Practices, examines 15-year-olds motivation, their engagement with reading and their use of effective learning strategies. Volume IV, What Makes a School Successful? Resources, Policies and Practices, examines how human, financial and material resources, and education policies and practices shape learning outcomes. Volume V, Learning Trends: Changes in Student Performance Since 2000, looks at the progress countries have made in raising student performance and improving equity in the distribution of learning opportunities. Volume VI, Students on Line: Reading and Using Digital Information, explores students use of information technologies to learn. PISA 2009 marks the beginning of the second cycle of surveys, with an...
