THE TEACHING OF JESUS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Teaching of Jesus by the Rev. George Jackson - It is natural and fitting in an attempt to understand the teaching of Jesus that we should begin with His doctrine of God. For a man s idea of God is fundamental, regulative of all his religious thinking. As is his God, so will his religion be. Given the arc we can complete the circle; given a man s conception of God, from that we can construct the main outlines of his creed. What, then, was the teaching of Jesus concerning God? The following chapters are the outcome of an attempt to set before a large Sunday evening congregation--composed for the most part of working men and women--the teaching of our Lord on certain great selected themes. The reader will know, therefore, what to look for in these pages. If he be a trained Biblical scholar he need go no further, for he will find nothing here with which he is not already thoroughly familiar. On the other hand, the book will not be wholly without value even to some of my brother-ministers if it serve to convince them that a man may preach freely on the greatest themes of the gospel, and yet be sure that the common people will hear him gladly, if only he will state his message at once seriously and simply, and with the glow that comes of personal conviction. Indeed, one may well doubt if there is any other kind of preaching that they really care for.
