Pilot Communications Group, United States, 2008. Paperback. Condition: New. Reissue. Language: English . Brand New Book. It was impulsive of me, I know, to go out on a limb and write what I did in that postcard after only two dates with Carla. At the time, however, something inside told me that she was the one. But could I trust that little voice inside? If anything, I should have distrusted it, for I d only recently broken up with my high school sweetheart. So what did that little voice and I really know? // Can we trust that voice inside that tells us he or she is the one? // Carla far exceeded anyone I had imagined would come my way. Spring term had just ended for us at the university we attended when she left to work at a camp for the summer. I can have a pretty one-track mind and so using a blank postcard that a friend of mine had brought back from a recent trip of his to Hawaii, I jotted a note to Carla along with the cryptic note 82884WWBTAOWD tucked away in the bottom right-hand corner. It looked like a postal code, and no one but me knew that it stood for We will be there after our wedding day: 8/28/84. Inside I was sure I knew what I wanted, but outside there wasn t a chance I would let anyone know. As much as I was drawn to a life together with Carla, I didn t yet want her to know it! That was pretty bold of me (or maybe psycho), considering it was three years prior to my projected Hawaiian honeymoon.1 But I was so smitten by Carla I could have penned the note with my own testosterone. Rereading that postcard today...
