John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Toward a Positive Psychology of Religion: Belief Science in the Postmodern Era, Rocco Cottone, Psychologist and ethicist Robert Rocco Cottone takes readers on a religious journey infusing postmodern philosophy positive psychology and ethics into a comprehensive vision of religion in the future. Defining postmodern religion in a positive engaging and educational way he answers questions like What is the nature of belief Is there a universal god When does life begin and Is there an afterlife This book may profoundly change your understanding of religion and affect your practice of religion in a significant way. His method is entertaining compelling and sometimes perturbing as he addresses both ancient and postmodern religion in a way that is personal and scholarly. He also provides a postmodern religious framework that is inclusive affirming positive and drawn from the power of the human spirit.
