

Non-Traditional Security Issues in North Korea (Hardback)

By -

University of Hawai i Press, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. The concept of security has undergone significant change in the past few decades. Traditionally thought of in terms of the state-centric, militarily focused, realist discourse, the concept of security has been broadened to include a greater number of potential threats and an increased number of relevant actors. Yet, despite the great changes in security scholarship, the vast majority of studies on North Korea continue to focus primarily on the country s nuclear weapons program, its military, and other traditional security issues surrounding Pyongyang. While North Korea captures headlines with its aggressive behaviour and growing nuclear arsenal, the ground-level threats to average, everyday North Koreans go largely unnoticed. This groundbreaking volume seeks to refocus research on North Korean security from the traditional to largely unexplored non-traditional security (NTS) issues. In the wake of political succession to Kim Jung Un, the issue of non-traditional security is increasingly important. From the lasting effects of the famine of the 1990s to continued food shortages and the growing marketisation of North Korean society, the Pyongyang regime is facing diverse and unprecedented challenges. This book offers cutting-edge analyses of emerging...
