

Charley Harper the Animal Kingdom Book of Postcards Aa633

By Pomegranate

Pomegranate Communications Inc,US, United States, 2010. Postcard book or pack. Condition: New. Language: English . Brand New Book. Wildlife artist Charley Harper (American, 19222007) came by his love of nature as a child growing up in rural West Virginia. After studying at the Art Academy of Cincinnati and the Art Students League in New York City, he gained acclaim as a commercial illustrator for numerous publications, most notably The Golden Book of Biology and Animal Kingdom, childrens books published in the 1960s. As demand for his work grew, he went on to have a successful business producing limited-edition silkscreen prints. Pomegranates books of postcards contain up to thirty top-quality reproductions bound together in a handy, artful collection. Easy to remove and produced on heavy card stock, these stunning postcards are a delight to the sender and receiver. Postcards are oversized and may require additional postage.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
