Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I found myself captivated by Susy s true life, fairytale love story that began at such a young age. Her unique style of writing will draw you into her story, as if you are reliving each moment with her. Every girl dreams of finding the man who will sweep her off of her feet and marry her. Then they are supposed to live happily ever after.but many times people change and divorce happens. Rhonda Anderson Susy s life story will inspire, entertain, and encourage you. She is an overcomer, living life with great passion. Susy has opened her heart to the readers, becoming very vulnerable by sharing her journey with all its ups and downs. I know Susy to be both funny and tenacious. Let her humor, and her example of perseverance, bring the same healing to your soul that it has to her own. Laughter truly is the best medicine! I know this isn t the end of the story, and I look forward to walking with her into the sequel. Kari Browning, Director I ve known Susy for a long time.
