Texas Review Press, United States, 2007. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. If one aspect of their consciousness characterizes the Spanish, it is the prevailing philosophy that life is worth what it does to you. Fiestas is a collection of short stories about modern Spain, beginning with a tale of true love versus romance in the years just before the Spanish Civil War of 1936. The collection takes the reader into the Civil War and Spain s darkest and most wretched times and continues through the twentieth century, with stories of ordinary Spaniards living the fiestas of their lives - the loves, deaths, miseries, and minor triumphs of a people determined to make the most of whatever life can throw at them.
