

A Rhapsody for the Eternal (Paperback)

By Darren Speegle

Raw Dog Screaming Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This collection of stories is a complex gilded clock where gears in the future clank against the cogs of the past. Behind it all lies the mystery of human destiny. This is a new science that smells of dusty books and ancient secrets, things beyond human understanding. Speegle haunts his own stories with delicate insinuations of something more, something deeper. Yet even at the surface these stories breathe with tension. From the Tiptoeing Monk unraveling the riddle of a nursery rhyme to the parents of the first ghost born in centuries, these fantasies feel real and the people, though from a different time, are compelling in a way that our actual neighbors rarely are.
