

How to Master Your Medical School Finals: The Complete Guide to Passing and Excelling In Your Medical School Exams

By Christopher See, Robert Tan

Kogan Page Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 241 x 171 mm. Language: English . Brand New Book. For students who are well-versed in the traditional examinations undertaken in their finals yet are nervous about the unusual and difficult exam stations, How to Master Your Medical School Finals provides insider knowledge needed to gain extra marks and improve performance in exams. Containing information rarely found in textbooks, it offers guidance on the most dreaded of examinations, including simulated phone conversations with senior staff, how to behave professionally - even when a blood transfusion goes wrong - and how to diffuse a situation with angry relatives. A detailed OSCE guide also teaches you how to carry out a polished patient examination, with insider tips and common pitfalls to avoid. Additional features include insight from current students and graduates, as well as a review of all the key books commonly used to get students through their course, to identify the right one for your learning style. Including a free downloadable sample curriculum - a unique tool which provides important information for passing your finals - How to Master Your Medical School Finals is a vital read for all students who...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
