Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Course of Language Study in Outline The New Lessons in Language presents many attractive features, chief among which are: - (1) Familiar Talks, leading to composition work. (2) Description of Pictures. These pictures are beautiful, interesting, and suggestive. (3) The principal uses of capitals, punctuation marks, abbreviations, contractions, formations of plurals, possessives, etc. (4) Letter writing, memory gems, stories for reproduction, use of irregular verbs, use of synonyms and homonyms, errors to be avoided, etc. (5) Introduction of parts of speech and their properties, preparing for the study of grammar. The English Grammar and Composition presents the following points of superiority: - (1) It is built upon the principle that theory without practice is almost valueless. It presents the minimum of text with the maximum of practice. (2) The first ten chapters, pages 1-76, are devoted to the most practical points in a business education, namely: to Capitalization, Punctuation, Letter Writing, Choice of Words, etc. All forms of composition are fully presented. (3) With Chapter XI the sentence is introduced. Its structure is developed by copious exercises, compelling the child to think into his very constitution grammatical forms and relations. Every page bears evidence of both the scholarship and the schoolroom experience of the authors. The definitions are simple, brief, and comprehensive. (4) The treatment of the verb, the participle, and the infinitive is the best published. Finally, these are new books, but their adoption in hundreds of cities and towns argues their claim to your consideration. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
