All three stories cover issues of determination, confidence, true friendship and knowing anything is possible when you believe in it. BoBo the Race Car was a little disappointed that for all his efforts to prepare for last year s race were not enough to put him in the Victory Circle. But this year was going to be different! He called all his friends asking them if they were going to complete in the Pocono 500 Race. His friends Big Foot and Saber were getting very excited about racing on the Tricky Triangle and were all ready to sign-up! The race cars heard many stories about how tricky the Pocono Raceway really was. It was a most challenging race track compared to the other tracks on which they had competed. They practiced everyday doing lap after lap, making those very tricky turns as fast as they could. All the race cars were ready for the big event. As the Pace Car left the track they all sped off gaining more speed. BoBo was entering his final lap when all of a sudden he was faced with a VERY SERIOUS PROBLEM!.
