Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2013. Paperback. Book Condition: New. Jose Carlos (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Children will love this cultural twist to the classic rhyming tale, There Was An Old Woman Who Swallowed a Fly. While the vivid illustrations teach us about the food chain of Northern Mexico s desert fauna, the text reminds us of the endearing term ito, that Mexican Spanish inherited from its ancient Aztec culture. Although the direct translation of ito after any noun means little, it also gives the word a loving quality (i.e. just as the Aztecs added the end phrase tzin to denote venerable). The Abuelito who Swallowed a Mosquito embraces the current Spanglish phenomenon. Most schools here in the U.S. teach proper English and proper Spanish in their curriculums (rightfully so!). Spanglish, however, is a common reality in millions of households throughout America. Whether your student is bilingual, or learning Spanish, this rhyming and sequenced prose will encourage children to participate in the reading. And most importantly, they will have fun! So let s go see what that crazy abuelito is up to.
