iUniverse, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine waking from a deep sleep into a strange new world. What would you do first? How would you feel? These are things faced by a young dragon named Roger in author Trish's book *Roger The Mini-Dragon And The Magic Meadow*. One afternoon in Calgary, Alberta, a long-hidden dinosaur egg hatched on a cliff overlooking one of the city's main rivers. Alone in a new world, Roger is discovered by a group of feathery and furry critters who quickly make friends with the little dragon. Follow along as Roger and his new friends discover many things, including pizza and a beautiful meadow. This children's story Roger the Dragon has—with flair and resilience—sprung from a prehistoric age into the modern world, where he finds many adventures.
