

Byzantium: The Surprising Life of a Medieval Empire

By Judith Herrin

Penguin Books Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. For a thousand years, an extraordinary empire made possible Europe's transition to the modern world: Byzantium. An audacious and resilient but now little known society, it combined orthodox Christianity with paganism, classical Greek learning with Roman power, to produce a great and creative civilization which for centuries held in check the armies of Islam. Judith Herrin's concise and compelling book replaces the standard chronological approach of most histories of Byzantium. Instead, each short chapter is focused on a theme, such as a building (the great church of Hagia Sophia), a clash over religion (iconoclasm), sex and power (the role of eunuchs), an outstanding Byzantine individual (the historian Anna Komnene), a symbol of civilization (the fork), and a battle for territory (the crusades). In this way, she makes accessible and understandable the grand sweeps of Byzantine history, from the founding of its magnificent capital Constantinople (modern Istanbul) in 330, to its fall to the Ottoman Turks in 1453.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
