

A Guide to the Selection and Management of Stallions - A Collection of Historical Articles on Horse Management (Paperback)

By Various

Read Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume contains a collection of historical articles on horse management, with information on the selection and management of stallions, and comments on the general care and maintenance of horses. Written in simple language and containing a wealth of practical information, this text will be of considerable value to modern horse-owners, and makes for a great addition to collections of equine literature. The articles contained herein include: The Horse in All His Varieties and Uses , The Practical Stud Groom , The Horse Book A Practical Treatise on the American Horse Breeding Industry as Allied to the Farm , The Horse How to Breed and Rear Him , Stallions , and more. We are proud to republish this vintage book, now complete with a new and specially commissioned introduction on the care and maintenance of horses.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
