Partridge Singapore, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Wisdom is a precious gift from God, among many creatures that God has created HE chose us human beings to be the recipient and use it to inspire one another. The question is why? It is simply because HE knew that only humans have the abilities and the power to acquire knowledge and to do many things in this planet, such as to create machines that flies up in the sky or go deeper in the ocean or things that will penetrate into a human body to cure them, . That is why Allah wrote in His holly book the Qur an we have indeed created man in the best of moulds (surat Attiyn, aya 4) In that regard we are the best of god s creation, and we deserve that gift of wisdom that has been granted to us. Thank you God for such a great gift that has enabled us to build our world in the best way we can. The world which you created for us to live in. So let us have faith in wisdom as a knowledge that should be acquired by all and to appreciate such a highly precious gift. Jawad al Bahrani. 30th September 2014.
