This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altering the way I believe.

Commander Joe Sandilands is looking forward to spending a month here in the cool of the Himalayan hills as the guest of Sir George Jardine, the Governor of Bengal. When Joe's travelling companion, a Russian opera singer, is shot dead at his side in the back of the Governor's car on the road up to Simla, he finds himself plunged into a murder investigation. Confronted by the mystery of an identical unsolved killing a year before, Joe realizes that Sir George's hospitality comes at a price. Behind the sparkling facade of social life in Simla he finds a trail of murder, vice and blackmail. Someone in this close-knit community has a secret and the nearer Joe comes to uncovering it, the nearer he comes to his own death.
