Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a basic How-To manual with a handle-it-yourself and beat the system slant. It challenges the status quo of accepted self defense methods, with their illusion of safety and security in this country. It then provides a solution by introducing and revealing its largely unknown and secretive American combat system called Shadow Warrior Ninjutsu. Shadow Warrior Ninjutsu is a complete combat oriented martial arts system based largely on the philosophy, teaching methods, skills, tactics and techniques of the secret Ninja system. This manual empowers the reader with the skills necessary to fight and defeat multiple opponents, using hand-to-hand techniques, weapons, stealth and camouflage. We live in a time when people are looking for some definable sense of security for themselves and their family . at work, as well as at home. This system offers a new format, with minimal training for the reader to succeed in that effort. This secretive combat oriented martial arts system has been several decades in its creation by the author. He has developed, refined and used it himself with live , in-the-field testing to verify each and every technique. He perfected, taught and lived these maneuvers in some of the most inhospitable places on earth. Only a handful of people have ever had the privilege of seeing this art in practice. This work includes written instructions, as well as illustrated diagrams. It can be worked alone, as well as in groups of any size. It s conducive to the old and the young. By those already strong and physically able --- to those not so strong, well trained or physically able. The techniques taught here can be done by individuals of any physical size. This...
