Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Amy Koch Johnson (illustrator). Language: English . Brand New Book ***** Print on Demand *****.After raising chickens in Chicken City, Randy is ready to try his hand at pigs. I felt I discovered my future occupation. These animals were so weird, they were cool. They all seemed to be asking, demanding, or begging for something with their wide range of grunts and squeals. Raising pigs would never be boring. We laughed and stared for hours. Rita s different grunts and squeals were better than any Saturday morning cartoon. This is the 2nd book in this series. The first book is available at //.
