By Braden, William.

Virgin Books. 1 Laminated Cover(s), 2013. hard. Book Condition: New. "My name is Henri. I am a black cat," admits the fluffy feline star of numerous YouTube videos. "I live a life of luxury, but I am filled with ennui. My filtered water tastes impure and no food can satisfy the emptiness I feel inside. It is my fate to contemplate the world around me and ponder my tormented existence. I rarely purr." The creation of photographer William Braden, Henri's hugely popular video commentaries are here distilled into a lovely little black and white book of reluctantly charming cat photos and debilitating angst. "I'm told I'm famous on the Internet," Henri notes. "But for what? My anguish? I have written this book but it brings me no joy. Instead, it is a mirror in which is reflected the perfect desolation of my soul. I am a writer. I am a philosopher. I am Henri, le Chat Noir." "One cat, one massive existential crisis. A feline Serge Gainsbourg." *Huffington Post* 96.
