MY DADIMA WEARS A SARI

Peachtree Publishers. Hardcover. Condition: New. Yoshiko Jaeggi (illustrator). 1 pages. Dimensions: 10.1in. x 9.9in. x 0.4in. This warm, multigenerational story offers a glimpse into the distinctive culture and customs of India, while reinforcing universal themes of love and the importance of family. Every day, Rupas grandmother wears a beautiful sari. Dadima wears her saris around the house and around the town. Some are made of cotton and some are made of fine silk. Each is brightly colored and very beautiful. Don't you ever want to wear a gray skirt and red blouse with round buttons like Mommy or a green dress like me Rupa asks. But Dadima prefers to wear her traditional saris. She shares with her young granddaughter all the wonderful things that saris can do - from becoming an umbrella in a rainstorm to providing a deep pouch to carry seashells collected from the beach. Soon Rupa's own imagination is sparked as she envisions saris protecting her in the scary Gir jungle, bandaging up an injured knee, and holding a special secret for her and Dadima to share. Author Kashmira Sheth provides young readers with a unique view of Indian culture and tradition through this affectionate, sensitive portrait of a grandmother and her American granddaughter. Illustrator Yoshiko Jaeggi's sweeping, colorful, and fanciful watercolor illustrations capture the extraordinary bond of love that unites families across generations despite cultural differences. A note from the author and instructions for wrapping a sari are included. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
