Excerpt from City Boys in the Woods: Or a Trapping Venture in Maine Ooks of hunting and trapping adventure for the young are su perabundant. But whence do most of them derive their inspi ration? Certainly not from nature. The toils and privations which are the certain and continuous daily incidents of such a life are usu ally glozed over or ignored altogether, while purely imaginary, or at best very infrequent, cases of good-fortune are grouped together and follow one another as though of every-day occurrence. The impression so produced on the minds of the young is an absolutely false impression. That it is pernicious as well, the police records of every large city bear witness. Hardly a week passes in which lads, beguiled by such books, are not arrested on their way to kill Ind ians and hunt buffaloes in the far West. This book is the outcome of a suggestion that a story truthfully portraying the actual life of the hunter and trapper would be time ly. The author has succeeded or failed in his purpose, in the exact proportion in...
