Filesize: 8.06 MB

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

(Dr. Reta Murphy)

FISTING REX: AN EROTIC TALE 65 MILLIONS YEARS IN THE MAKING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The T-Rex is not the violent dinosaur people believe it to be. It is just sexually frustrated. It has a lack of friends to bang and arms so short it makes masturbation near on impossible. Gark, a new hairless ape on the scene, sees this though and he know just what Rex needs. And - more than that - he believes he is just the man to give it to him.
