History Press (SC), United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Throughout its rich and varied history, New Hampshire s White Mountains region has played host to explorers and adventurers, lumberjacks and locomotives, as well as grand hotels and their well-heeled guests. In this new anthology of historical writing, local author Mike Dickerman captures the spirit, tenacity and resourcefulness of those who have lived, worked and played in these Great White Hills. His stories also bring to life dramatic events that scarred the landscape long ago, such as tragic plane crashes and the devastating Hurricane of 1938. The book spans the ages, from the logging railroads of yesteryear to the forest fire lookout towers of the mid-twentieth century, and covers the expanse of these environs, from the snow-laden heights of Mount Washington to the stately grounds of the Mountain View House in Whitefield.
