Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is about Character, the foundation of effectiveness, is the aggregate of features and traits that form our nature. Volume 10: Your Guide to Better Character is one of several books that make up The Effectiveness Guide, which provides you with the best in class knowledge, wisdom, and advice on both personal and team effectiveness and contains the minimum level of fundamental knowledge, skill, and ability essential to maximize your true career potential. Effective leaders know the value that character brings to their ability to consistently produce excellent results. I wrote The Effectiveness Guide to focus on the one thing you directly control and can therefore change; your effectiveness. Your effectiveness is the sum of all the skills, knowledge, abilities, and talents that you bring to your employer. Being selected for a leadership or management position is not something you control. Others, like your leader, make those decisions. So, how can you become more effective, which is what your leader expects, when it s not taught anywhere in academia or in your company? As I see it, you have two choices. You can either do nothing and hope your leader trains you, or you can take the initiative and train yourself. The bad news is that businesses today aren t willing to invest in training you until you ve been with them for a considerable amount of time and have proven yourself. Where does that leave you? You re on your own-good luck! Which of these two choices do you directly control? Over the past 50+ years, I ve been searching for the answer to what makes some people more effective than others and what do effective leaders do that...
