Aquarians Assault, the fourth book of a thrilling series by Torena ORorke, takes up from where her previous books *The Killer of Cancer Rising* and *The Capricorn Kidnapping* left off. This compelling murder mystery brings back the young, clairvoyant probation officer Christian Vargas, who is still reeling from the death of her own child. When the troubled sleuth learns of the horrifying murder of a baby stolen from a murdered mother's womb, the crime hits close to home, and she won't let anything get in the way of solving the disturbing crime. Going undercover, Vargas ventures into a gangbangers' hideout, an old veterans trailer, and even a Catholic church to find answers. But soon the intrepid hunter becomes the hunted in this taut thriller. Another solid, appealing entry in a series that continues to expand the depth of its characters while keeping the crime-solving suspense at a taut level. - Kirkus Reviews
