Reviews

Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.

(Emmett Mann)

THE DEFENDERS OF SHANNARA - THE DARKLING CHILD

Condition: New. Publisher/Verlag: Random House US | From New York Times bestselling author Terry Brooks--the second stand-alone Shannara novel in the Defenders of Shannara series, following *The High Druid's Blade* (7/14), easily accessible to new readers. | From New York Times bestselling author Terry Brooks comes a thrilling stand-alone novel in his legendary Shannara series--the perfect place for new readers to begin. After taking up his enchanted sword against the dark sorcerer Arcannen, Paxon Leah has become the sworn protector of the Druid order. Now a critical hour is at hand, as a beloved High Druid nears the end of her reign and prepares to pass from the mortal world to the one beyond. There is little time for Paxon to mourn his friend and benefactor before duty summons him. For in a distant corner of the Four Lands, the magic of the wishsong has been detected. Paxon must accompany a Druid emissary to find its source--and ensure the formidable power is not wielded by the wrong hands. But danger is already afoot in the village of Portlow. Gentle traveling minstrel Reyn Frosch possesses the uncanny gift, and curse, of the wishsong. And now his coveted abilities have captured the malevolent interest of none other than Arcannen--whose quest for power is exceeded only by his thirst for vengeance. The lone survivor of a brutal assault on a notorious pirate city, the sorcerer is determined to retaliate against the Federation's elite military guard--and use the devastating power of the wishsong as his ultimate weapon. Praise for *The Darkling Child* "Brimming with magic . . . a bubbling cauldron of fantasy and intrigue. This novel shines best through a full-bodied embrace of its most wildly imaginative magic and artifice, which is careful not to overshadow the story's greater half, fueled by a complex but well-constructed manifold..."
