

Anatomy for Artists Made Easy: Essential reference for drawing the body (Paperback)

By -

Flame Tree Publishing, United Kingdom, 2015. Paperback. Condition: New. George Bridgman (illustrator). New edition. Language: English . Brand New Book. An updated version of the classic life drawing book from artist and teacher George Bridgman who taught anatomy to a generation of Golden Age artists, including Norman Rockwell. His perfectly described drawings emphasize the significance of muscle groups in the mechanical motion of the human form. An essential resource for every artist, of every kind: illustrators, fine artists, digital, and offer a solid background for modern styles including manga and anime.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Elenor Koch PhD

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
