REALISM AND INTERDEPENDENCE IN SINGAPORE S FOREIGN POLICY (PAPERBACK)**DOWNLOAD**

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Singapore s existence and success derive in part from its achievements in the domestic political arena and in part from the skilful management of a well-defined foreign policy with clearly identifiable goals and issues. A visible core of realist self-reliance is layered with the demands of a competitive trading state that requires a liberal international trading regime. Hence, both competitive and cooperative philosophies support Singapore s foreign policy. This text charts the philosophical underpinning of Singapore s foreign policy output and the institutions responsible for it and examines the importance of economic and defence diplomacy that are central to Singapore s foreign policy output. It gives particular attention to the two most important regional bilateral relationships - with Indonesia and Malaysia - and how relations with its adjacent neighbours have influenced Singapore s foreign policy. Combining first-hand research with excellent analysis, this volume provides a much-needed report on the survival of a small state in the globalizing world.
