St Martin s Press, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. They Must Be Stopped is New York Times bestselling author Brigitte Gabriel s warning to the world: We can no longer ignore the growth of radical Islam-we must act soon, and powerfully. Gabriel challenges our western and politically-correct notions about Islam, demonstrating why radical Islam is so deadly and how we can halt its progress. Brigitte Gabriel speaks her mind: Islam is a religion rooted in 7th century teachings that are fundamentally opposed to democracy and equality; Radical Islamists are utterly contemptuous of all infidels (non-Muslims) and regard them as enemies worthy of death; There are madrassas in America, and they are just one part of a growing radical Islamic army. Radical Islam exploits our legal system, our fairness, and our tolerance, by using our protection of religion to spread its hatred for western values; and, we must effectively organize a unified voice that says enough to political correctness, and demands that government officials and our elected representatives do what is necessary to protect us.
