Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

AN AFFAIR AND A PROMISE (PAPERBACK)

Stely Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Curl up on your favorite chair with a glass of wine and a box of tissues. This sweet old fashioned romance will tug at your heart strings and leave you fanning yourself at the same time. Julie Turner was always a focused and accomplished young woman. Graduating with honors from USC and finishing law school early, it seemed her life was set according to plans. She had married her high school sweetheart and scored a job in a high profile law practice on Coronado Island. What more could a girl want? But having had her nose in books for so long, she had no idea what else was out there. And she didn't realize that the Marines would change her husband into an abrasive, un-attentive person who used her only for his own pleasure. Then, a chance meeting with a young handsome writer hired by the senior partner in her law firm, brought her to the realization that she had never really experienced life or real love for that matter. Alex Heart showed Julie what real love was. With his stunning looks and his sexy smiles, he soon won her heart. His gentle touch and his passionate kisses led her to a height of pleasure she had never known existed. But when Julie's husband is sent home from the Middle East, injured and mentally unstable, her sense of obligation forces her to cut ties with Alex. But not before they make a promise. A plan to reunite twenty years in the future.
