

To Raise Up a Nation: John Brown, Frederick Douglass, and the Making of a Free Country

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Westholme Publishing, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The Sweeping Story of the Men and Women Who Fought to End Slavery in America "In his fast-paced and deeply researched To Raise Up a Nation , William S. King narrates the coming of the Civil War, the war itself, and the emancipation process, through the intertwined lives of John Brown and Frederick Douglass. King's stimulating, well-written account draws upon telling anecdotes and pen portraits to document America's dramatic story from Harper's Ferry to Appomattox, a drama personified by the lives of Brown and Douglass."--John David Smith, Charles H. Stone Distinguished Professor of American History, University of North Carolina at Charlotte, and author of Lincoln and the U.S. Colored Troops Drawing on decades of research, and demonstrating remarkable command of a great range of primary sources, William S. King has written an important history of African Americans' own contributions and points of crossracial cooperation to end slavery in America. Beginning with the civil war along the border of Kansas and Missouri, the author traces the life of John Brown and the personal support for his ideas from elite New England businessmen, intellectuals such as Emerson and Thoreau, and African Americans, including his confidant, Frederick Douglass, and Harriet Tubman. Following Brown's execution after the failed raid on Harper's Ferry in 1859, King shows how Brown's vision that only a clash of arms would eradicate slavery was set into motion after the election of Abraham Lincoln. To Raise Up a Nation: John Brown, Frederick Douglass, and the Making of a Free Country is a sweeping history that explains how the destruction of American slavery was not directed primarily from the counsels of local and national government and military men, but rather through the grassroots efforts...
