By Paul Strohm

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Conscience: A Very Short Introduction, Paul Strohm, Where does our conscience come from? How reliable is it? The Romans identified it, the early Christians appropriated it, and Reformation Protestants and loyal Catholics relied upon its advice and admonition. Today it is embraced with equal conviction by non-religious and religious alike. Using examples from popular culture including the Disney classic Pinocchio, as well as examples from contemporary politics, he explores the work of thinkers such as Nietzsche, Freud, and Aquinas, to show how and why conscience remains a motivating and important principle in the contemporary world.
