MOONLIGHT SATISFACTION: A VAMPIRE BILLIONAIRE MENAGE (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Threesome Romance Hannah was excited to visit the British museum because she was a history lover. She felt that her full figure and voluptuous curves were better appreciated in history and she loved that the statues made that point. She knew that she would have fun at the museum, but she was not expecting to run into her old history professor. He was the best and smartest professor she ever had. What she didn't know was that there was a reason the professor knew so much about history, it was because he had been alive for hundreds of years. Then he introduced her to his assistant, who is also an immortal, and together the three of them explore each other. It is unlike any experience Hannah has ever had. Content suitable for mature readers, contains sexual content and harsh language.
