Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Vintage Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Born in pre-Revolutionary China and brought up in the Midlands, Esther Cheo Ying returned to China in 1949 after a traumatic childhood, convinced that there she would find the happiness and sense of belonging she longed for. Caught up in the turmoil of civil war and sympathetic to the Communist Revolution, she joined the Red Army and then stayed on to work in the new People s Republic. But despite her determination to make a new life in China could she truly be happy in a country which encouraged constant self-criticism and viewed her as a false foreign devil ? Black Country to Red China is an extraordinary account of life before the Cultural Revolution, but it is also a fascinating insight into one woman s struggle to come to terms with your own identity.
