

The Natural Selection

By Ona Russell

Sunstone Press. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 8.8in. x 5.9in. x 0.9in. In July of 1925, Sarah Kaufman is finally taking the holiday she deserves. Her court duties in the hands of a competent replacement, she looks forward to a month of relaxation with her cousin Lena, the newest and most progressive member of the English department at Tennessee's Edenville College. Knowing that the South would be even more humid than Toledo, Sarah packed only her lightest clothing. What she did not know, however, was that she also would need the investigative skills she had just barely acquired, the lover she had continuously resisted, and the emotional strength that she thought had been tested enough for one lifetime. Indeed, even before one of the hottest summers on record has a chance to make her rethink her vacation plans, Sarah reluctantly agrees to help investigate the mysterious death of one of Lena's most esteemed and, as she discovers, enigmatic colleagues. With the dead professor's own cryptic, Darwinian message as a guide, Sarah travels the short distance to Dayton, Tennessee, where the internationally followed Scopes Monkey trial is underway. There, along with the disquieting Mitchell Dobrinski reporting on the event for...

Reviews

Excellent electronic book and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily able to get a delight of studying a written book.
