Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Conversations on Some Leading Points in Natural Philosophy: Designed to Illustrate the Perfections of the Deity, and to Expand the Youthful Mind The Writer of the following pages has long been a Parent; he thinks it of great importance to the happiness of youth, that they should be led early to see the hand of God, . as it is displayed around them in the creation: he is confident, from his own experience, that such a view of things is a perpetual source of improvement and delight. It is his design to awaken the minds of the young to correct thought, by presenting, in a familiar manner, some of the most entertaining and striking things which are to be gathered from the discoveries of science. He hopes that his pages will excite inquiry after larger treatises on the same interesting subjects. The elementary works which the Author has seen, are either too diffuse or expensive, or the calculations are suited to mature age, or they have not been sufficiently simple or entertaining; or, whilst the pen of genius has been lavish in praise of the works of the adorable Creator, he has been studiously concealed from the view of the reader.
