When NBA cheerleader Melissa Kingston turns up dead in an apparent suicide, it s up to her hot-headed investigative reporter roommate, Sage Valentine, to find out the truth. Sage doesn t believe for a second that her bubbly, high-energy roommate would take her own life, and her investigation takes an interesting turn when she learns that Melissa had set up a date with a company called Take Me Tonight, an online service that specializes in fulfilling women s fantasies of being kidnapped and then freed by a sexy rescuer. Certain that the web company has something to do with Melissa s death, Sage decides to arrange for a kidnap-and-rescue fantasy of her own. Sage s fearless pursuit of the truth causes her aunt, Lucy Sharpe head of the crack Bullet Catchers security agency, to dispatch one it s bodyguards, Johnny Christiano, to interrupt her niece s date with a kidnapper. Posing as a Take Me Tonight rescuer, Johnny plays his tight-lipped role to the hilt, ending their date with a night of passionate sex. But Sage won t back down from her investigation, and as she gets closer to uncovering the truth, her protector must decide where his loyalties lie: to the job or to the passionate woman he finds impossible to resist?.
