Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I realized many years ago that unless America made drastic changes in its relationship with God the country would be headed for a powerful fall from grace. Too long have Americans defied the commandments of our Creator; we have been living on a razor s edge, and in all reality, I feel that the end of America s greatness is immediately before us if the drastic changes are not made. Since God is the same yesterday, today, and forever, it makes clear sense to me that America would suffer the same fate as did the other nations before us that defied God; therefore, it is my sincere hope that All Americans who read this book will take the time to listen closely to what the words are saying to you and act accordingly. We can turn things around if we really try; and if we do try I am certain that we will begin to see how God will forgive us and heal our land. Every word of this book is straight from the heart. God bless America!.
