### **Reviews**

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Designing Sustainable Residential and Commercial Interiors: Applying Concepts and Practices is a core text for students and designers seeking to apply sustainability to all stages of the design process for commercial interiors. The book provides an overview of the types of commercial interior design projects emphasizing a three-pronged approach to sustainability: equity, economy and ecology. Through inspirational case studies for a range of contract projects - such as office design, retail design, healthcare design, hospitality design, restaurant design and institutional design - readers will learn how to use a sustainable concept as the foundation for a well-designed, green project.
