

## Awol on the Appalachian Trail

By Professor of Sociology David Miller

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In 2003, software engineer David Miller left his job, family, and friends to hike 2,172 miles of the Appalachian Trail. AWOL on the Appalachian Trail is Miller s account of this thru-hike from Georgia to Maine. Listeners are treated to rich descriptions of the Appalachian Mountains, the isolation and reverie, the inspiration that fueled his quest, and the rewards of taking a less conventional path through life. While this audiobook abounds with introspection and perseverance, it also provides useful passages about hiking gear and planning. This is not merely a travel guide; it is a beautifully written and highly personal view into one man s journey and the insights gained by abandoning what is comfortable and routine. David Miller s AWOL makes you feel the pain and joy of an Appalachian Trail thru-hike. In vivid colors, David paints a picture of his memorable journey. - Larry Luxenberg Director of the Appalachian Trail Museum.
