

## Career Opportunities in Animation (Paperback)

By Jeff Lenburg

Facts on File Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. From character designer to storyboard artist a comprehensive guide to fun careers in animation. Animation is everywhere from the Internet to the silver screen and due to the rapid growth of animation in virtually every field and industry, so are animation jobs. Fueled by the worldwide explosion of film and television productions, new and original animated films, and apps and videos for mobile computing devices, the fields of animation and special effects, video games, and e-learning are all expected to grow. This is in addition to the phenomenal widespread growth of industries like mobile gaming, television advertising, digital media, and science and technology. With the high demand for qualified individuals to work in these industries, there has never been a better time to start or advance a career in animation. Career Opportunities in Animation describes 60 careers in many fields of animation, including art, backgrounds and layouts, design, directing, engineering, film and television animation, game and Web design, painting and texturing, performing, producing, technical production, and writing. Appendixes in this comprehensive new resource include Educational Institutions; Major Trade Periodicals, Newsletters, and Other Publications; Professional,...
