Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hand-Book of Church s Historical Panorama of the Civil War in America The Proprietors of the Historical Panorama of the Civil War in America, to which this little pamphlet forms a Handbook, have had but one object in view, and that is to present before the public in a series of Pictures, connected in the order of the events to which they refer, the successive stages of the conflict which, whether we regard the vastness of the territory over which it extends, and the immense aggregation of men and war material engaged in it, or the incalculable importance of the moral, social, political, and commercial interest it involves, must stand in the pages of history as the greatest war the world has as yet known. To the English public who read the accounts of the progress of this mighty struggle in the newspapers, and trace the localities where the scenes of this great world-drama are enacting, upon their maps, only a vague and inadequate idea suggests itself of the wonderfully varied and strongly contrasted character and aspect of the regions over which the net-work of these vast military operations extends. These illustrations which, whatever their artistic merits may be pronounced to be, are scrupulously faithful as regards the details of the natural scenes they represent, will afford the means of appreciating the physical conditions in many instances so peculiar and so widely varied, amidst which the great battles of this terrible and long-drawn contest have been fought, and which have given a special and original character to the strategy and engineering devices of the leaders on either side. In conclusion, it has been the fixed...
