Brand New Book. The large-scale establishment of ethnic minorities and diasporic communities in Europe has gained the attention of social science scholars for a number of decades now. However, legal interest in this field has remained relatively underdeveloped, and few scholars have addressed emerging legal issues to any significant degree. This collection of contributions by leading writers in the field of ethnic migration and diaspora studies therefore provides some important interdisciplinary perspectives of how ethnic/diasporic minorities in British and European contexts interact with the official legal system. This volume makes a significant contribution in assessing the role of law in current debates on the integration of ethnic and religious minorities of migrant origin in the EU. The chapters derive from papers first delivered at a lecture series on 'Cultural Diversity and Law' at the Institute of Advanced Legal Studies. The contributors' disciplinary interests range across law, anthropology, sociology, geography and political theory, and each one addresses the issues within his or her field of study by adopting approaches that place law...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
